

Add a little magic to your school with Disney Musicals in Schools, an initiative of Virginia Repertory Theatre that ignites a passion for storytelling by building sustainable musical theatre programs in Chesterfield County public elementary schools.

By providing free performance materials and free professional development to participating schools, Disney Musicals in Schools has helped schools across the US and UK launch new theater programs, inspiring the next generation of diverse storytellers, artists, and audiences.

Up to five schools will be selected to participate in the 2023-2024 year program **free of charge**. Any Chesterfield County public elementary school with a Title 1 designation are eligible to apply, but hurry—the application deadline is **September 25th, 2023**.

**The goals of Disney Musicals in Schools are to:**

1. Create sustainable musical theatre programs in public elementary schools.
2. Provide school faculty with the training and tools necessary to support student performance and production, and to empower them to do so.
3. Develop a critical awareness and appreciation of the arts within the school.
4. Develop a strong community, including students, parents, faculty, staff, and neighbors.
5. Expose students and school faculty to the wide spectrum of skills that are developed when producing a piece of musical theatre, including critical thinking, problem solving, ensemble building, communication, self-confidence, and interpersonal skills.

Disney Musicals in Schools presents a special opportunity to introduce the collaborative art of musical theatre to your school, strengthen your arts programming, and develop partnerships among students, faculty, staff, and the greater community.

Please note: Recipient schools will receive various levels of support over a period of three years. Since the goal of the program is to build sustainable theater programs, applications from schools that have participated in the program in the last five years will not be considered.

## PROGRAMMING

The program requires two 90-minute rehearsals weekly. Do you confirm that you will meet this requirement? \_\_\_\_\_ Yes

Which days and times could be used for rehearsal? Please note: this program is offered after-school only.

---

---

The work of producing a musical requires collaborative and individual planning time. It's helpful if the School Team is available for brief planning meetings before and/or after each rehearsal and for periodic longer meetings throughout the process. How will your team approach this necessary planning time? \_\_\_\_\_

---

---

It is ideal for students to rehearse in the same space they will perform with additional breakout spaces available (e.g. empty, quiet hallway or nearby classroom). What spaces in your school will be used for rehearsal? Is your auditorium shared by another school or program and if so, how will you make arrangements to reserve the space? Keep in mind that other concurrent uses of the space (e.g. dismissal, other clubs) are not compatible with the rehearsal process.

---

---

How will your school make adjustments that students, teachers, and space will all be available at the same time for 90 minutes twice a week?

---

---

Do you offer any after school programming in your school? \_\_\_\_\_

If yes, please list the programming below:

---

Do you produce a formal piece of musical theatre every year? \_\_\_\_\_
